# DAY OF GIVING

Wednesday, June 25, 2008  
1:00 - 6:30 p.m.

WE INVITE YOU TO SAVE LIVES AND GIVE BACK TO YOUR COMMUNITY AT OLINGER'S FIRST EVER DAY OF GIVING

### DONATE BLOOD

Every two seconds someone in the U.S. receives a transfusion of donated blood. A single blood donation can save and enhance the lives of up to three patients.

### JOIN THE NATIONAL BONE MARROW REGISTRY\*

Each year, thousands of people are diagnosed with diseases like leukemia and lymphoma for which stem cell or marrow transplant could be a cure. 70% are unable to find a match within their own family and must search the National Donor Registry for an unrelated donor.

\*Due to the small representation of minority donors on the registry, federal funding was put in place to offset donor registration fees for minority groups; however, a nominal \$30 fee is assessed to Caucasians who wish to join the registry.

### REGISTER TO BE AN ORGAN & TISSUE DONOR

Currently, there are close to 100,000 Americans waiting for a lifesaving transplant, unfortunately, most will not receive the transplant they need and 18 people die everyday waiting. There are no age or health concerns that would prevent you from becoming a registered organ and tissue donor.

\*Check your driver's license, if you already have a donor "heart" there is no need to re-register

### BRING NON-PERISHABLE FOOD ITEMS & CLOTHING FOR COLORADO RESIDENTS IN NEED
