6. Recommendation by Jane Bialosky was made for people to keep journals while starting clinic or schools.
7. Raja Rogers would like to have a discussion board set up for interactive posting about these topics-setting up clinics and schools. Must be secure. As people learn information, they should post it on the board. Then someone should oversee the information and consolidate it into topics. Elaine will look into setting this up. Diana can be a consultant on this project because she has a degree in Library Science and Computer Science.
8. 12 applications for RC/WPA in Jan and 12 more expected. Deadline is extended until the 5th.

10. Diana mailed a newsletter to all on her mailing list. This is recommended.
